

Name of institution:	UPF
Department:	DCEXS Department of Experimentals Sciences and Health
Contact person:	Jordi Alonso
Postal address:	Dr. Aiguader, 80
PO Box:	08003
City:	Barcelona
Country:	Spain
e-mail address:	salut publica@upf.edu
Telephone number:	0034 933160760

Credit system used in my institution	ECTS (EUROPEN CREDIT TRANSFER SYSTEM: 1 ETCS=25 H)
--------------------------------------	--

Institution	UPF
City	Barcelona
Country	Spain

Undergraduate courses in the field of Health Sciences taught in my institution, for last year medical students

Duration	4 / 6 YEARS Full-time
Structure	3 trimester x year
Total No. of credits	240 ECTS
Requirements	
Start/End Academic period	September to June

Part of programme	Field of education	Title of course	Nº of weeks ETCS	Month of year taught	Exam (Yes/no and when)	Language
HUMAN BIOLOGY DEGREE						
Introductory	Human Biology	Introduction to the University	11 6,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Anatomy and Embryology	11 7,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Biochemistry	9 6,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	General Physiology	10 8,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Cellular Biology I	10 8,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Basic Sciences I	11 7,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Basic Sciences II	9 6,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Integrated Biomedicine I	9 4,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Zoology	9 4,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Botany	10 4,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Human Anatomy	9 7,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Human Physiology	9 8,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Biochemistry II	11 10,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Human Histology	9 5,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Anthropology and evolution	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Integrated Biomedicine II	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Vegetable Physiology	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Basic Genetics	10 4,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Development Biology	10 4,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Analytic Chemistry and Pharmacology	10 6,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Ecology	10 4,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Biostatistics	9 6,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Introductory	Human Biology	Cellular Biology	9 8,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Immunology	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Microbiology	11 7,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Pharmacology	11 5,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Integrated Biomedicine III	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Clinical Genetics	9 4,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Basic Physiopathology	9 4,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	English	10 4,00	3d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Specific	Human Biology	Mobility or optional subjects module:	10 16,00	3d trimester		
Specific	Human Biology	History of Biology and Medicine	4,00		final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Specific	Human Biology	Scientific Communication	4,00		final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Specific	Human Biology	Neurosciences	4,00		final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Specific	Human Biology	Virology	4,00		final exam end of trimester (practical lessons compulsory)	English or Spanish
Specific	Human Biology	Genomics	4,00		final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Specific	Human Biology	Psychology	6,00		final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Specific	Human Biology	Epidemiology	4,00		final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Image Diagnosis	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Biocomputer Science	11 6,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Neurobiology	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Nutrition	11 4,00	1st trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Structural Biology	9 6,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Toxicology	9 4,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Biotechnology	9 6,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	Bioethics	9 4,00	2d trimester	final exam end of trimester (practical lessons compulsory)	Catalan or Spanish
Core	Human Biology	External Professional Internship	10 14,00	3d trimester		
Core	Human Biology	End-of-degree Dissertation	10 6,00	3d trimester		

Language courses are provisional

Institution **UPF**
 City **Barcelona**
 Country **Spain**

Master courses in the field of Health Sciences taught in my institution (involved in the Eracol Project)

Duration 1 Year full-time
Structure Three Trimester: Starts with core subjects for 12 weeks and then the specific path courses and optional ones. During the 2nd and 3d trimester
Total No. of credits 60 ETCS (10 Research Project)
Requirements Previous University Bachelor or Degree (180 or 240 ETCS)
Start/End Academic period September to September

Type of course	Field of education	Title of course	Number of weeks	Credit points	Month of year taught	Exam (Yes/no and when)	Language	Remarks
MASTER IN PUBLIC HEALTH								
Core		Epidemiology I	9	5,00	Sep/Oct/Nov/Dec	Final Exam, end of trimester	Spanish	
Core		Statistics	9	5,00	Sep/Oct/Nov/Dec	Final Exam, end of trimester	Spanish	
Core		Foundations of Public Health	3	4,00	Sep/Oct	Final Exam, end of trimester	Spanish	
Core		Qualitative Methods	3	3,00	Nov/Dec	Final Exam, end of trimester	Spanish	
Core		Study Project Design in Public Health	4	3,00	Oct/Nov	NO	Spanish	
Core		Practicum and End-of-Master's Program	25	10,00	Dec-August	Final Oral Defense, end of the Master		
Advanced		Epidemiology II	9	5,00	Jan/Feb/Mar	Final Exam, end of trimester	English / Spanish	
Advanced		Statistics II	9	5,00	Jan/Feb/Mar	Final Exam, end of trimester	Spanish	
Specific		Health Services Research	6	3,00	Jan/Feb	Final Exam, end of trimester	Spanish	
Specific		Health Promotion	6	4,00	Jan/Feb	Final Exam, end of trimester	Spanish	
Specific		Occupational Health	6	3,00	Jan/Feb	NO	Spanish	
Specific		Community Health	4	3,00	Feb/Mar	NO	Spanish	
Specific		Public Health Surveillance	8	4,00	Abr/May	NO	Spanish	
Specific		Risk Assessment	4	4,00	Abr	NO	English	
Specific		Exposure Measurement	4	3,00	May/Jun	NO	English	
Specific		Preventive Medicine	6	3,00	Jan/Feb	Final Exam, end of trimester	Spanish	
Specific		Environmental Health	3	3,00	Feb	Final Exam, end of trimester	Spanish	
Specific		International Health	3	3,00	Feb/Mar	NO	Spanish	
Specific		Health Economics	7	4,00	Oct/Nov	Final Exam, end of trimester	Spanish	
Specific		Cardiovascular Epidemiology	8	4,00	Abr/May/Jun	Final Exam, end of trimester	Spanish	
Specific		Cancer Epidemiology	6	3,00	May/Jun	Final Exam, end of trimester	Spanish	
Specific		Genetic Epidemiology	3	3,00	Jun	Final Exam, end of trimester	English	
Specific		Nutritional Epidemiology	6	3,00	Abr/May	Final Exam, end of trimester	English	
Specific		Social Epidemiology	6	3,00	Abr/May	NO	Spanish	
Specific		Epidemiology and Prevention of Transmissible Diseases	5	3,00	Abr/May	Final Exam, end of trimester	Spanish	
Specific		Evaluation of Policies and Preventive Programs	3	3,00	Abr	Final Exam, end of trimester	Spanish	
Specific		Public Health Management	5	3,00	May/Jun	NO	Spanish	
Specific		Introduction to Stata	6	3,00	Nov/Dec/Abr	NO	Spanish	
Specific		Health Outcomes Measurement	6	3,00	May/Jun	NO	Spanish	
Specific		Health Protection	4	4,00			Spanish	
Specific		Readings on Public Health	7	4,00	Jan/Feb	NO	Spanish	
Specific		Society and Health	3	4,00	Nov	Final Exam, end of trimester	Spanish	
Specific		Local Public Health	6	3,00	Abr/May	Final Exam, end of trimester	Spanish	
MASTER IN OCCUPATIONAL HEALTH								
Core		Introduction to the Occupational Health		3,00	Sep/Oct/Nov	Final Exam, end of trimester	Spanish	
Core		Methodological Issues in Occupational Health		7,00	Sep/Oct/Nov	Final Exam, end of trimester	Spanish	
Core		Work-related Risks		8,00	Jan/Feb/Mar	Final Exam, end of trimester	Spanish	
Core		Management of the Prevention		7,00	Jan/Feb/Mar	Final Exam, end of trimester	Spanish	
Specific		Introduction to the Occupational Medicine		5,00	Sep/Oct/Nov	Final Exam, end of trimester	Spanish	
Specific		Prevalent Health Problems		10,00	Sep/Oct/Nov	Final Exam, end of trimester	Spanish	
Specific		Final Work of Master - Report		20,00	Sep to June	Final Oral Defense, end of the Master		
Specific		Advanced Epidemiology		5,00	Jan/Feb/Mar	Final Exam, end of trimester	Spanish	
Specific		Advanced Biostatistics		5,00	Jan/Feb/Mar	Final Exam, end of trimester	Spanish	
Specific		Emergent Problems in Occupational Health		5,00	Abr/May/Jun	No Exam	Spanish	
Specific		Occupational Health Based on the Evidence		5,00		Final Exam, end of trimester	Spanish	
Specific		Final Work of Master - Paper		20,00	Sep to June	Final Oral Defense, end of the Master

 Country **Spain**

PhD courses in the field of Health Sciences taught in my institution

Duration One academic year
Structure Proposal from Sept to Dec, and Final Presentation on June
Total No. of credits (specify for research phase) 5 ETCS (all research credits)
Requirements 300 previous ETCS
Start/End Academic period September to June

Part of programme	Field of education	Title of course	Number of weeks	Credit points	Month of year taught	Exam (Yes/no and when)	Language	Remarks
Core	Biomedicine	Research Project Defense	40 weeks	5,00	All year	Final Presentation in an Examining Board	Free: Spanish/English/Cat	

Institution	UPF
City	Barcelona
Country	Spain

Academic staff departments in the field of Health Sciences taught in my institution

Center	Field of education	Name of the Department / Service / Program...
UPF	Occupational Health	Research Group on Occupational Health
UPF		Research Group on Employment Conditions Network
IMIM	Epidemiology	Research Program on Clinical and Molecular Epidemiology of Cancer
IMIM		Research Program on Occupational and Environmental Epidemiology
IMIM		Research Program on Evaluation and Clinical Epidemiology
IMIM		Research Program on Respiratory Health, Air Pollution, Childhood Development
IMIM		Research Program on Health Services
CREAL		Research on Environmental Epidemiology
